

ANDERSON TRAINING STABLES  
Shipped Semen Addendum

Mares bred on the premises will be charged a one-time chute fee of \$300. Each time the mare is inseminated after the first heat cycle, there will be a \$50 charge.  
Additional Conditions for Mares Bred with Transported Cooled Semen.

**The key to breeding your mare with transported cooled semen is very careful planning, management, and coordination with the Stallion Manager.**

SEMEN ORDERS AND SHIPMENTS

- ❖ Availability of semen on any given day is not guaranteed.
- ❖ Whenever possible, two doses of semen will be sent in each shipment.
- ❖ Requests for shipped cooled semen must be made by 5 PM Mountain time the day before collection. Orders not placed by 5 PM will be subject to an additional \$50 service charge if accepted and filled.
- ❖ Cancellation of a semen order must be made by 8 AM Mountain time the day of the collection.
- ❖ The semen may be used for the designated mare only.
- ❖ Embryo transfer: If more than one embryo is produced and transferred, Anderson Training Stables must be notified within 48 hours of the embryo transfers. A stallion service fee is due for each pregnancy.

CHUTE FEES

**The Stallion Service Fee and Chute Fee should be paid in full prior to shipment.**

- ❖ The chute (or lab) fee shall be \$300 for the first shipment. The fee includes semen collection/packaging and Fed Ex overnight delivery in the U.S. Shipments to Canada will be charged for any additional delivery fees necessary. Containers must be returned at mare owner's expense, but may be sent by regular postal service. There will be a \$35 charge for containers not returned.
- ❖ Each additional shipment will be \$150 plus the cost of actual shipment (i.e. Fed Ex charges).
- ❖ Any special shipping fees, such as counter to counter, will be charged at the designated rate in addition to the chute fee.

**NOTE: No semen will be shipped after June 30th unless special arrangements are made.**
